

**The Personnel
Of Mooncor Oil & Gas Corp.**

**Darrell Brown, B.Sc., B.A.Sc., P. Eng.
President and CEO of Mooncor Oil & Gas Corp.**

Darrell Brown is a professional engineer with both APEGGA (Association of Professional Engineers, Geologists and Geophysicists of Alberta) and APEGS (Association of Professional Engineers and Geoscientists of Saskatchewan) designations. He is also a member of the Petroleum Society of the Canadian Institute of Mining, Metallurgy and Petroleum. He has more than twenty years experience in the Canadian oil and gas industry with junior and senior producers. His experience includes all phases from drilling and completions to production and operations (including, field, facilities, sour gas processing, pipelining, LPG recovery, and joint venture agreements) in the Western Sedimentary Basin. Darrell has executive experience as a former senior officer of Lightning Energy Ltd. on the Toronto Stock Exchange (TSX) as well as a director of two companies Velo Energy Inc. and Rapid Solutions Corp. currently listed on the TSX Venture Exchange (TSX.V). Mr. Brown has a Bachelor of Applied Science in Engineering from the University of Waterloo as well as a B.Sc. in Mathematics from Memorial University. Darrell is the President and CEO of Mooncor Oil & Gas Corp. (MOO:TSX.V), an emerging Canadian oil and gas exploration and development company.
